

## C0805C271JDGACTU

Aliases (C0805C271JDGAC7800) SMD Comm COG HV, Ceramic, 270 pF, 5%, 1,000 VDC, COG, SMD, MLCC, Ultra-Stable, Low Loss, Class I, 0805, 0.7 mm

| General Information      |                                               |
|--------------------------|-----------------------------------------------|
| Series                   | SMD Comm COG HV                               |
| Style                    | SMD Chip                                      |
| Description              | SMD, MLCC, Ultra-Stable, Low<br>Loss, Class I |
| Features                 | Ultra-Stable, Low Loss, Class I               |
| RoHS                     | Yes                                           |
| Termination              | Tin                                           |
| Marking                  | No                                            |
| AEC-Q200                 | No                                            |
| Typical Component Weight | 14 mg                                         |
| Shelf Life               | 78 Weeks                                      |
| MSL                      | 1                                             |

| Dimensions |                  |
|------------|------------------|
| Chip Size  | 0805             |
| L          | 2mm +/-0.2mm     |
| W          | 1.25mm +/-0.2mm  |
